CHAIRMAN'S REPORT OF 84TH ANNUAL SHAREHOLDERS MEETING IN SINALUNGA, ITALY

First, Thanks to all 588 of you who arrived in Sinalunga to attend our meeting.

I apologize to the 57 of you who arrived on Air Force One for having to find your own way home because Airforce one had to leave immediately to fly to pick up the President in Shanghai.

THANKS, THANKS, THANKS!!!!!!! For the wonderful gifts. From the iPad 2 to the personalized stamps, to the unusual fortune cookies, to the free meals, and too many more to list here. Also the BD cards, telephone calls and E-Mails were much appreciated except for the really nasty ones. And oh-yes, our Poet Laureate Marion did it again. Turn this report over and read her latest effort.

As you may have heard, as we were travelling to Sinalunga, our headquarters building was devastated. First by an earthquake, then Hurricane Irene and finally floated away from the flood caused by 10 inches of rain in 48 hours. We will temporarily be operating out of the east wing of the White House until we move into our brand new headquarters on the 1st weekend of December.

Our 85th annual meeting will be a BIGGEE, so save the date now for 08/27/12
